Your Afternoon Tea arrives on a beautiful 3 tiered stand that is adorned with an assortment of our hand crafted delicacies. You begin with an assortment of finger sandwiches which include cucumber and Borsin cheese, fresh veggie cream cheese served with sliced red peppers and our favorite recipe egg salad which we serve on our homemade buttery dill biscuit.

The middle and most important layer serves up our handcrafted famous desserts from our bakery. Buttery tea cookies sit beside our delectable French macarons. and our famous double fudge brownies all pair perfectly with our delicious teas.

The final tier offers an assortment of mini scones made fresh each morning from our classic English scone recipe, slices of our specialty French quiche served warm and tucked in next to thick slices of fruit bread, sugared grapes and delicious fresh strawberries. Our freshly made clotted cream is served on the side.

The children's tea offers turkey and colby sandwiches and peanut butter and jelly instead of the savory layer. The pastries for the children are whoopie pies and cutout cookies. Fresh fruit and scones are served on the third tier same as the adult tea.
