

BonBonerie Tea List

Black Teas

Black teas are fermented teas. The leaves are rolled to break up the leaf cells and a natural oxidation process begins turning the tea black.

BonBonerie Blend Our own special black blend with a hint of vanilla.

Madison Road Our hearty and malty blend of Assam and Kenyan black teas. A good breakfast or mealtime tea, it holds up well to the addition of milk.

Tropical Blend Nilgiri black tea blended with tropical fruits, herbs, and flowers. The beautiful aroma will remind you of a South Sea island. A fantastic iced tea.

Cherry Blossom Sri Lankan black tea flavored with natural cherry flavors, sweetened cranberries, blackberry leaves and rose petals.

Ginger Peach Sri Lankan black tea with dried peaches and dried ginger.

Darjeeling Autumnal Grown in the foothills of the Himalayas, the high altitude develops its characteristic muscatel flavor.

Bengal Tiger Chai This is the real thing. A rich Indian black tea with cinnamon and cardamom. This is the national drink of India. Serve with milk and sugar.

Spiced Orange China black tea blended with cinnamon sticks, citrus peel and slices.

Black Currant China black tea with natural black currant flavor.

Earl Grey The world's most famous flavored black tea, delicately balanced with oil of bergamot and enhanced with cornflower petals.

Pomegranate Sri Lankan black tea with the addition of freeze dried pomegranates and rosehips. Quite an aroma!

Café Hours Monday thru Friday 7:30-5:30, Saturday 8-5:30, Sunday Closed

Black Teas Continued

English Breakfast A traditional blend of rich, black Keemum teas from China. A great way to start your day!

Morning Rise Four of the most extraordinary black teas: Ceylon, Assam, Keemum and Darjeeling are blended to create this rich, bold black tea.

Chocolate Mint Rich black Sri Lankan tea with the decadent flavor of an after-dinner chocolate mint.

Apricot Afternoon Sri Lankan black tea, dried apricot, dried papaya, blackberry and lime leaves are blended with calendula and sunflower petals.

China Rose Petal Black tea with rose hips and rose petals, a delicate, sweet aroma with a full flavor.

Oolong Tea

Oolong teas are only partially oxidized, retaining properties of green tea while capturing the depths of black tea

Ti Kwan Yin Oolong A classic and well respected rolled Chinese oolong that yields several infusions.

White Tea

White tea is the most delicate of all teas. Production consists of only two steps, steaming and drying. White tea is appreciated for its unmatched subtlety, complexity and natural sweetness.

Silver Needles Harvested in the early spring and covered with silver-white hairs, it brews a light golden infusion with a savory aroma.

Mango White Chinese bai mudan white tea enhanced with mangos.

Green Tea

Green tea is unfermented tea. It is immediately heated to arrest the fermentation process, rolled, then dried.

Cherry Rose Green Japanese sencha blended with rose petals and cherries- all the flavors and aromas of a spring orchard!

Jasmine Green Lightly-oxidized tea blended with jasmine blossoms. A wonderfully fragrant afternoon or after-dinner tea.

Serene Green A blend of sencha green tea, chamomile, lemon grass and peppermint.

Tisanes

An herbal tea, or tisane, is an herbal or plant infusion and usually not made from the leaves of the tea bush.

Orange Vanilla An all-fruit infusion with the aroma and flavor of the Dreamsicle you enjoyed as a child. No caffeine.

Strawberry-Kiwi Composed entirely of dried strawberries, kiwi and other fruits and flowers. No caffeine.

Chamomile Composed only of perfectly formed Egyptian chamomile flowers with a deep, soothing aroma. No Caffeine.

Peppermint Grown in the Cascade Mountains, this herbal has a brisk, awakening aroma and flavor. Pure dried peppermint and no caffeine.

Lemon Rooibos Lemon grass adds a citrus highlight and aroma to this favorite South African herbal. No Caffeine.

Ruby Chai Rooibos tea and a sultry blend of cloves, nutmeg, cinnamon, ginger and cardamom form this smooth and spicy alternative chai tea.
